

MISSIONS

Olive Tree is committed to what God is doing in the world. As our mission statement reads we "exist to glorify God, by making disciples of Messiah Yeshua among Israel and the nations." In order to fulfill our mission, we support the work of missionaries and mission organizations in several countries around the world. Through prayer and by dedicating approximately 10% of our annual income for financial support, we support Jewish and Gentile men and women reaching out with the good news in the U.S.A., Israel, Germany, India, and Papua New Guinea.
