

SHABBAT SCHOOL

Each week, after the Worship Service and a short break, we have a time of interactive study from 11:45 to 12:30. Our most recent series have included:

Peacemaking – exploring how to resolve conflicts in a God-honoring way

Evangelism – looking at how to build relationships and share our faith with others who don't yet know God

Revelation – a verse-by-verse exposition of the revelation of Jesus the Messiah to his Apostle John

Ruth – a look at the book of Ruth

We are taking a break from our normal schedule for the summer and will resume Shabbat School August 22.

While families are invited to include their children in the Shabbat School classes that are primarily focused on adults, we do provide classes for younger children during that time. For more information, contact the church office at 847-222-1230.
